Re: Muratek Begins Beta Testing Toll-Free Help Desk

Muratek Begins Beta Testing Toll-Free Help Desk

Recent demand for end-user support has prompted Muratek to answer the call, literally! We are now in the process of beta testing our new toll-free help desk. The same service our corporate clients are enjoying has now been customized to suit the needs of our end-user market.

The toll-free number has been registered as follows: 888-884-TECH
